

I will receive **an SMS**
or push notification
where will I pick up
my parcel at Parcel Locker

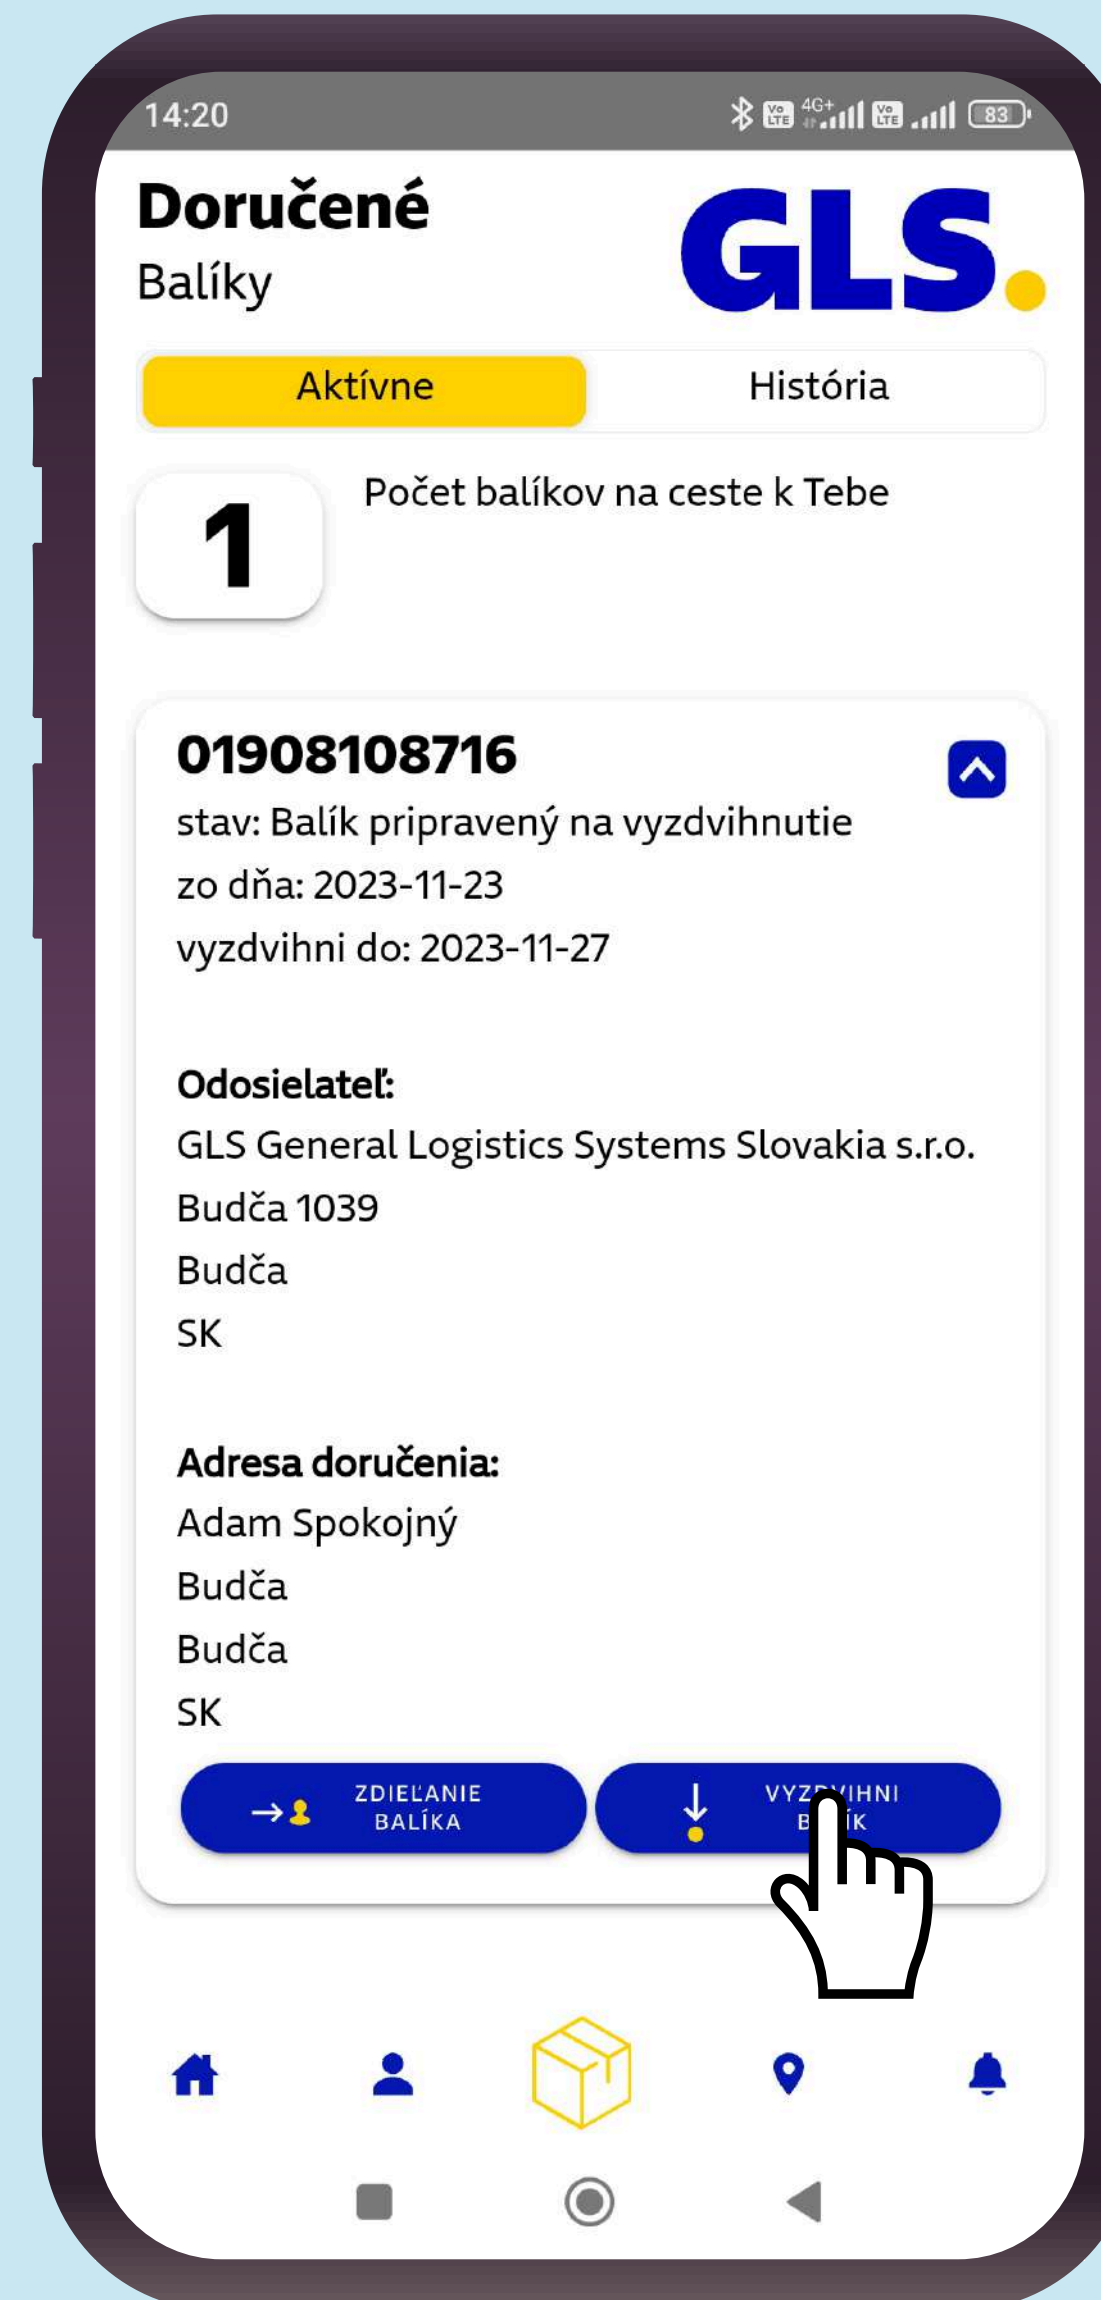

I can see my **delivered**
and shipped parcels

I click on delivered parcels
and see the **status of my parcel**

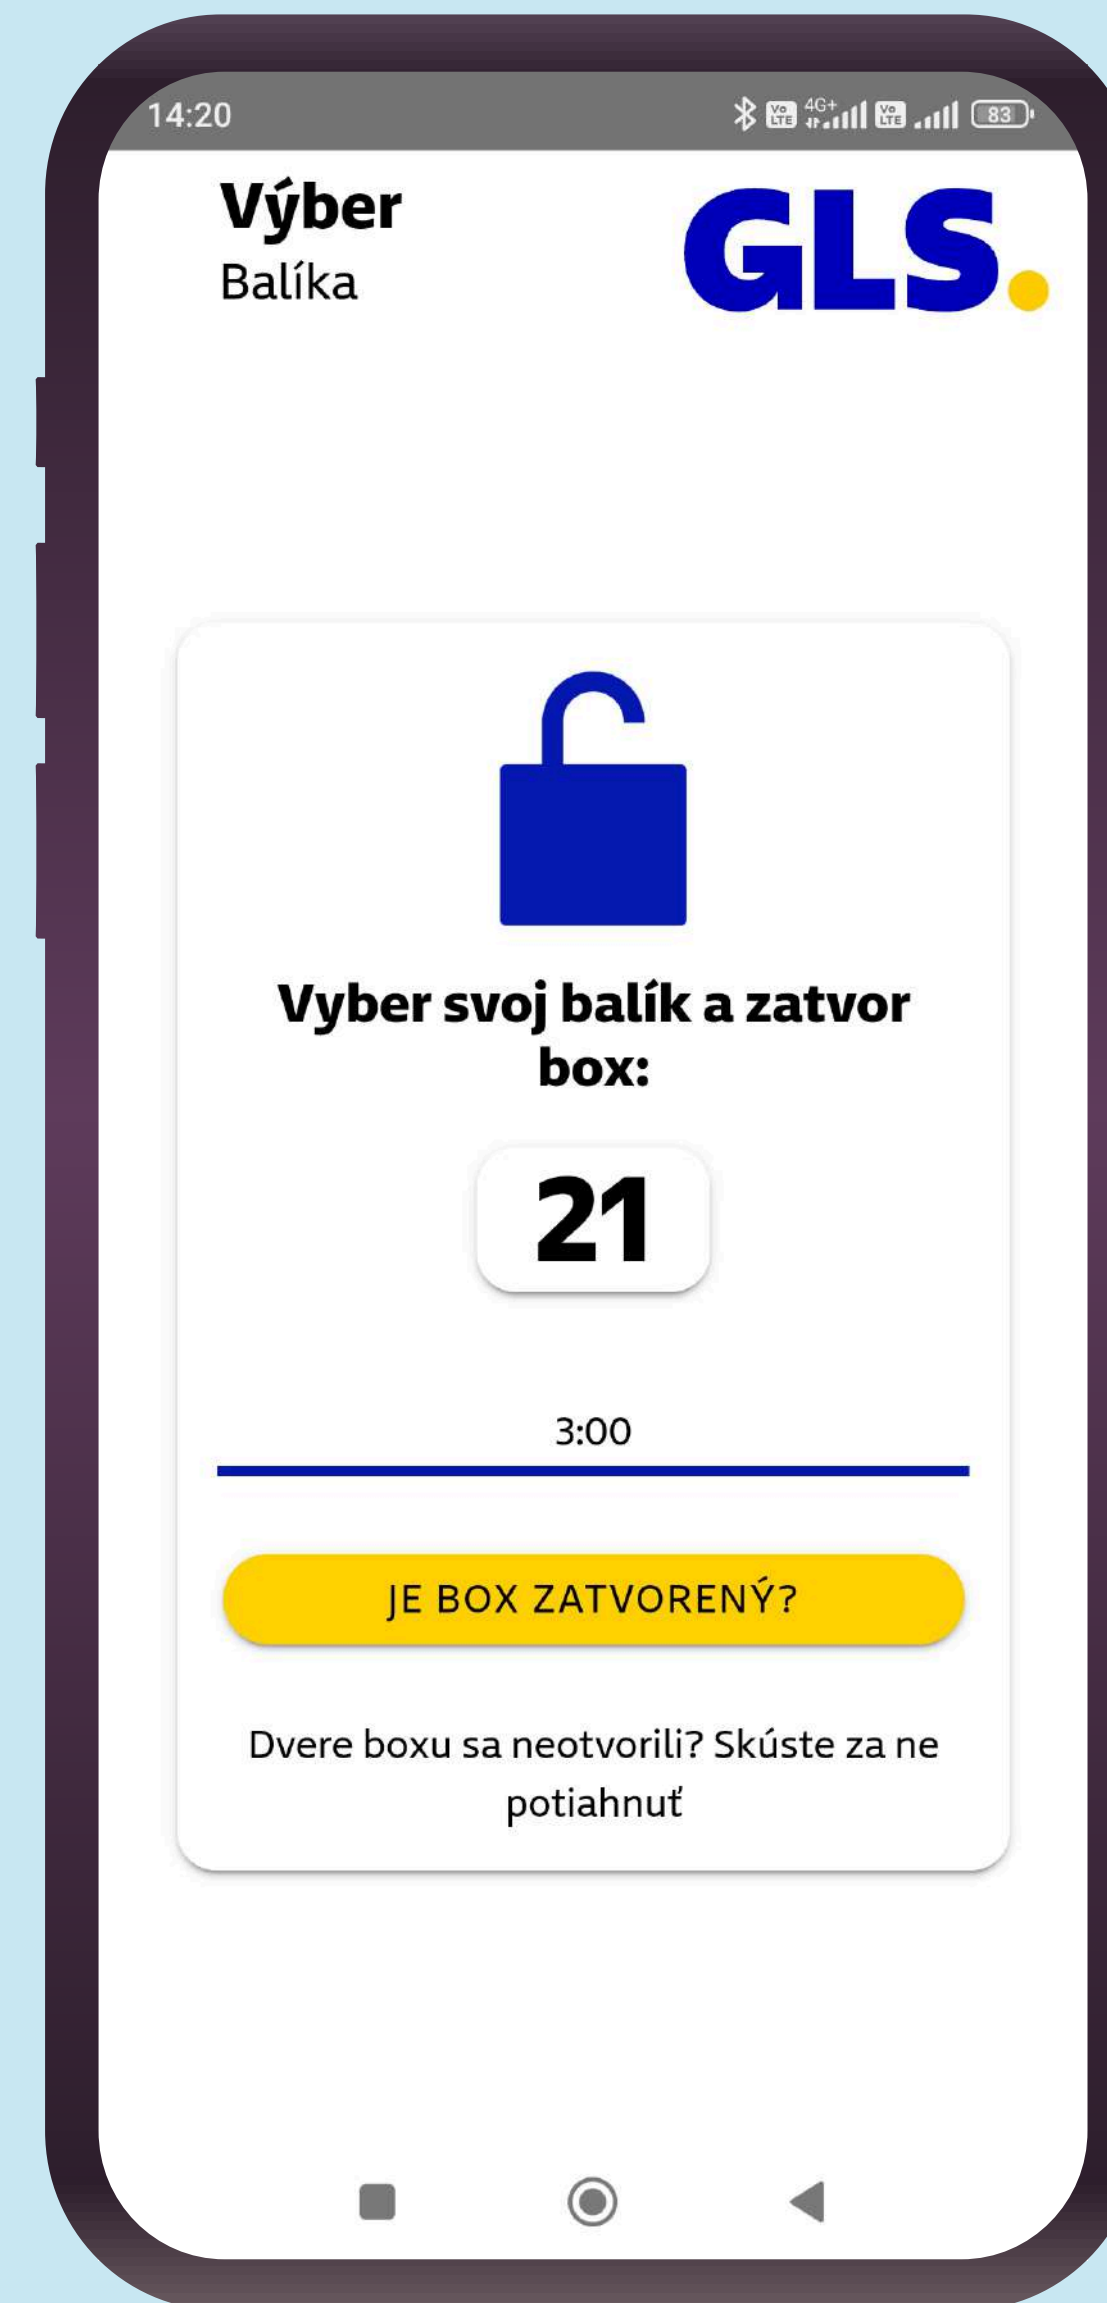

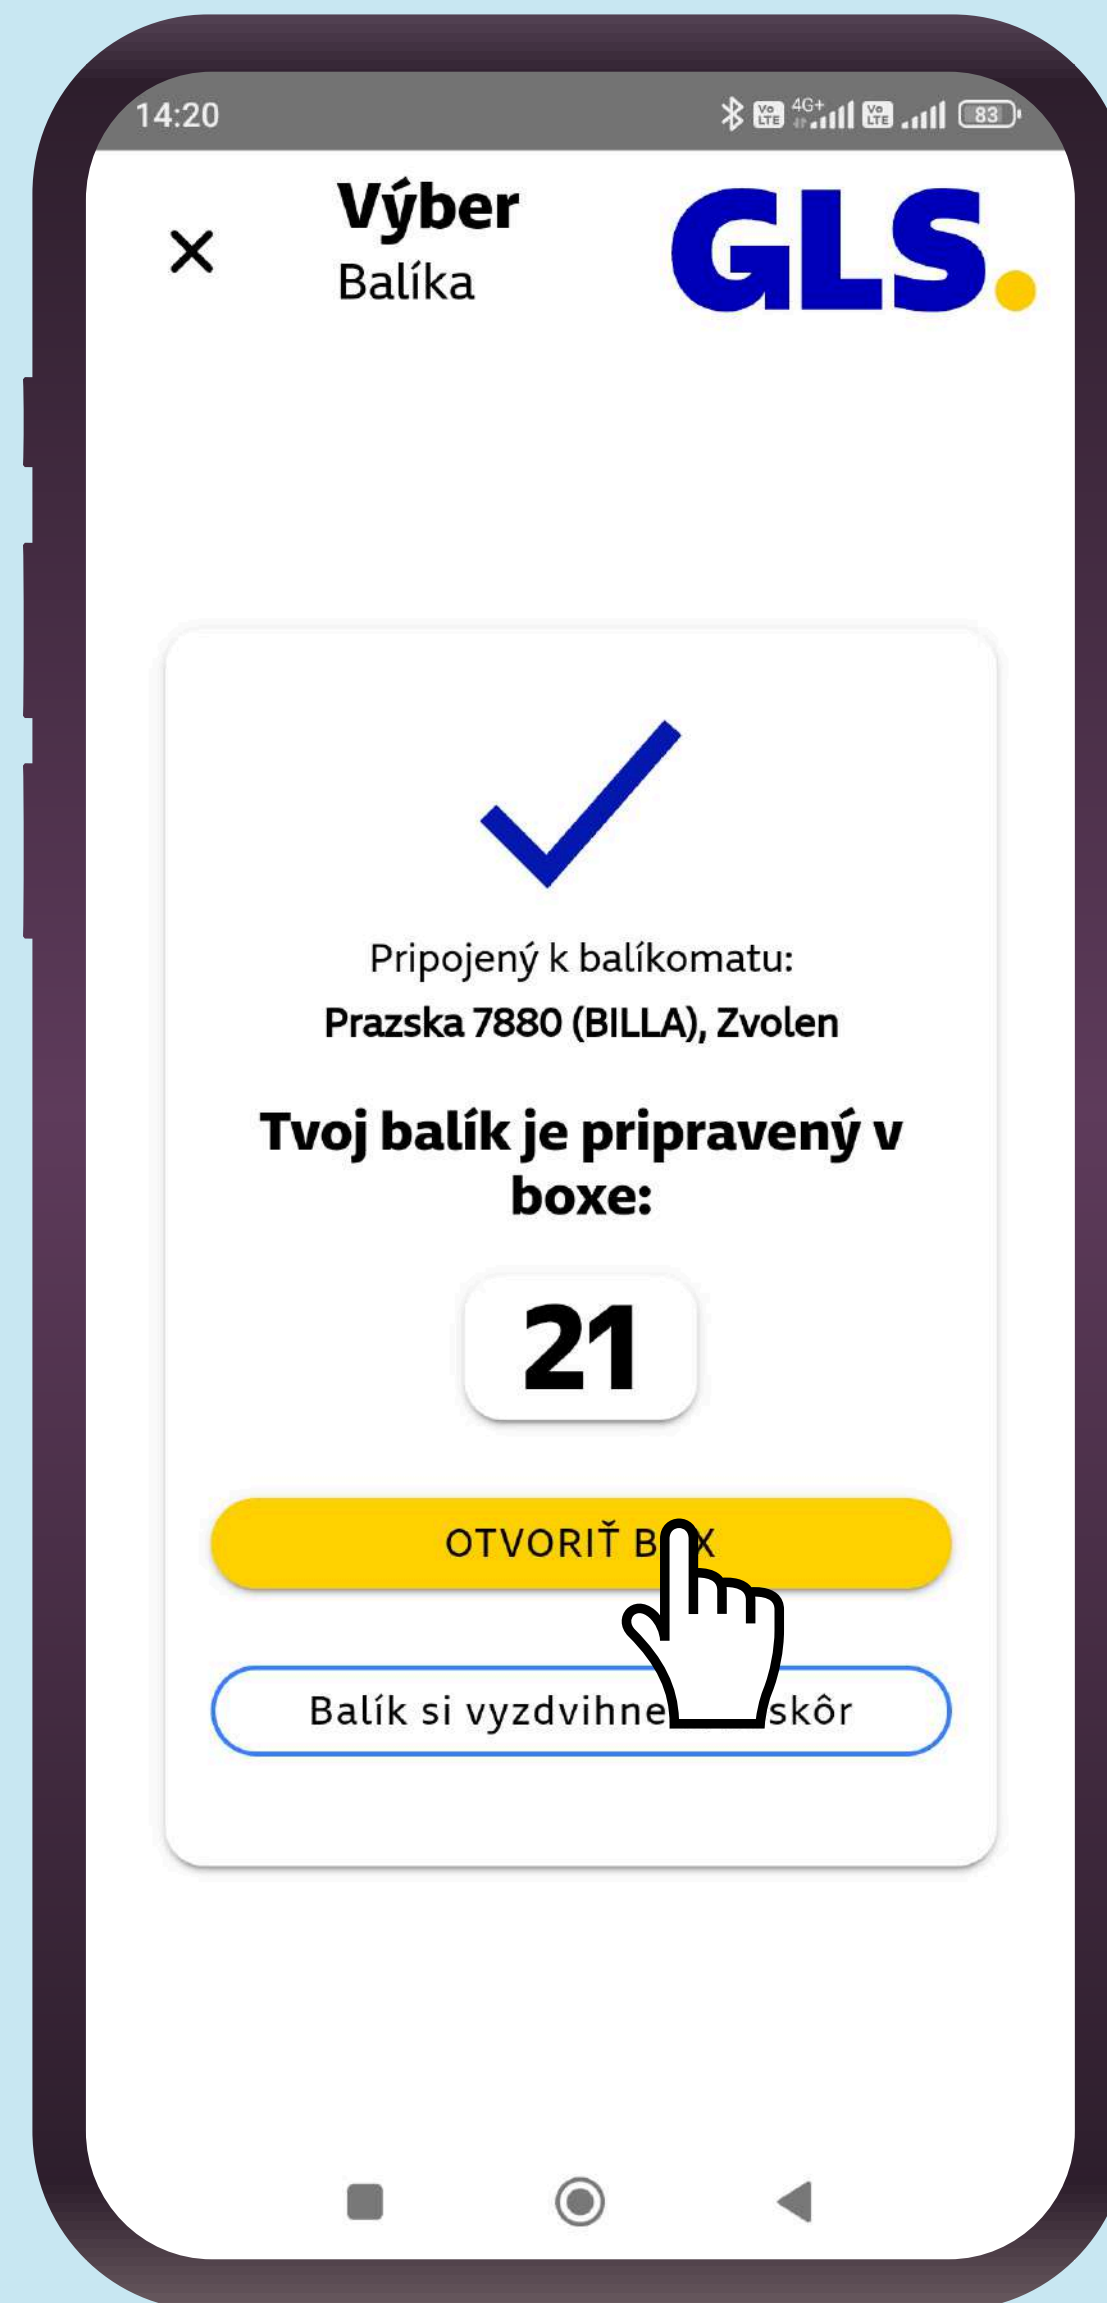

I have **location services** enabled,
bluetooth on and **internet access**
available

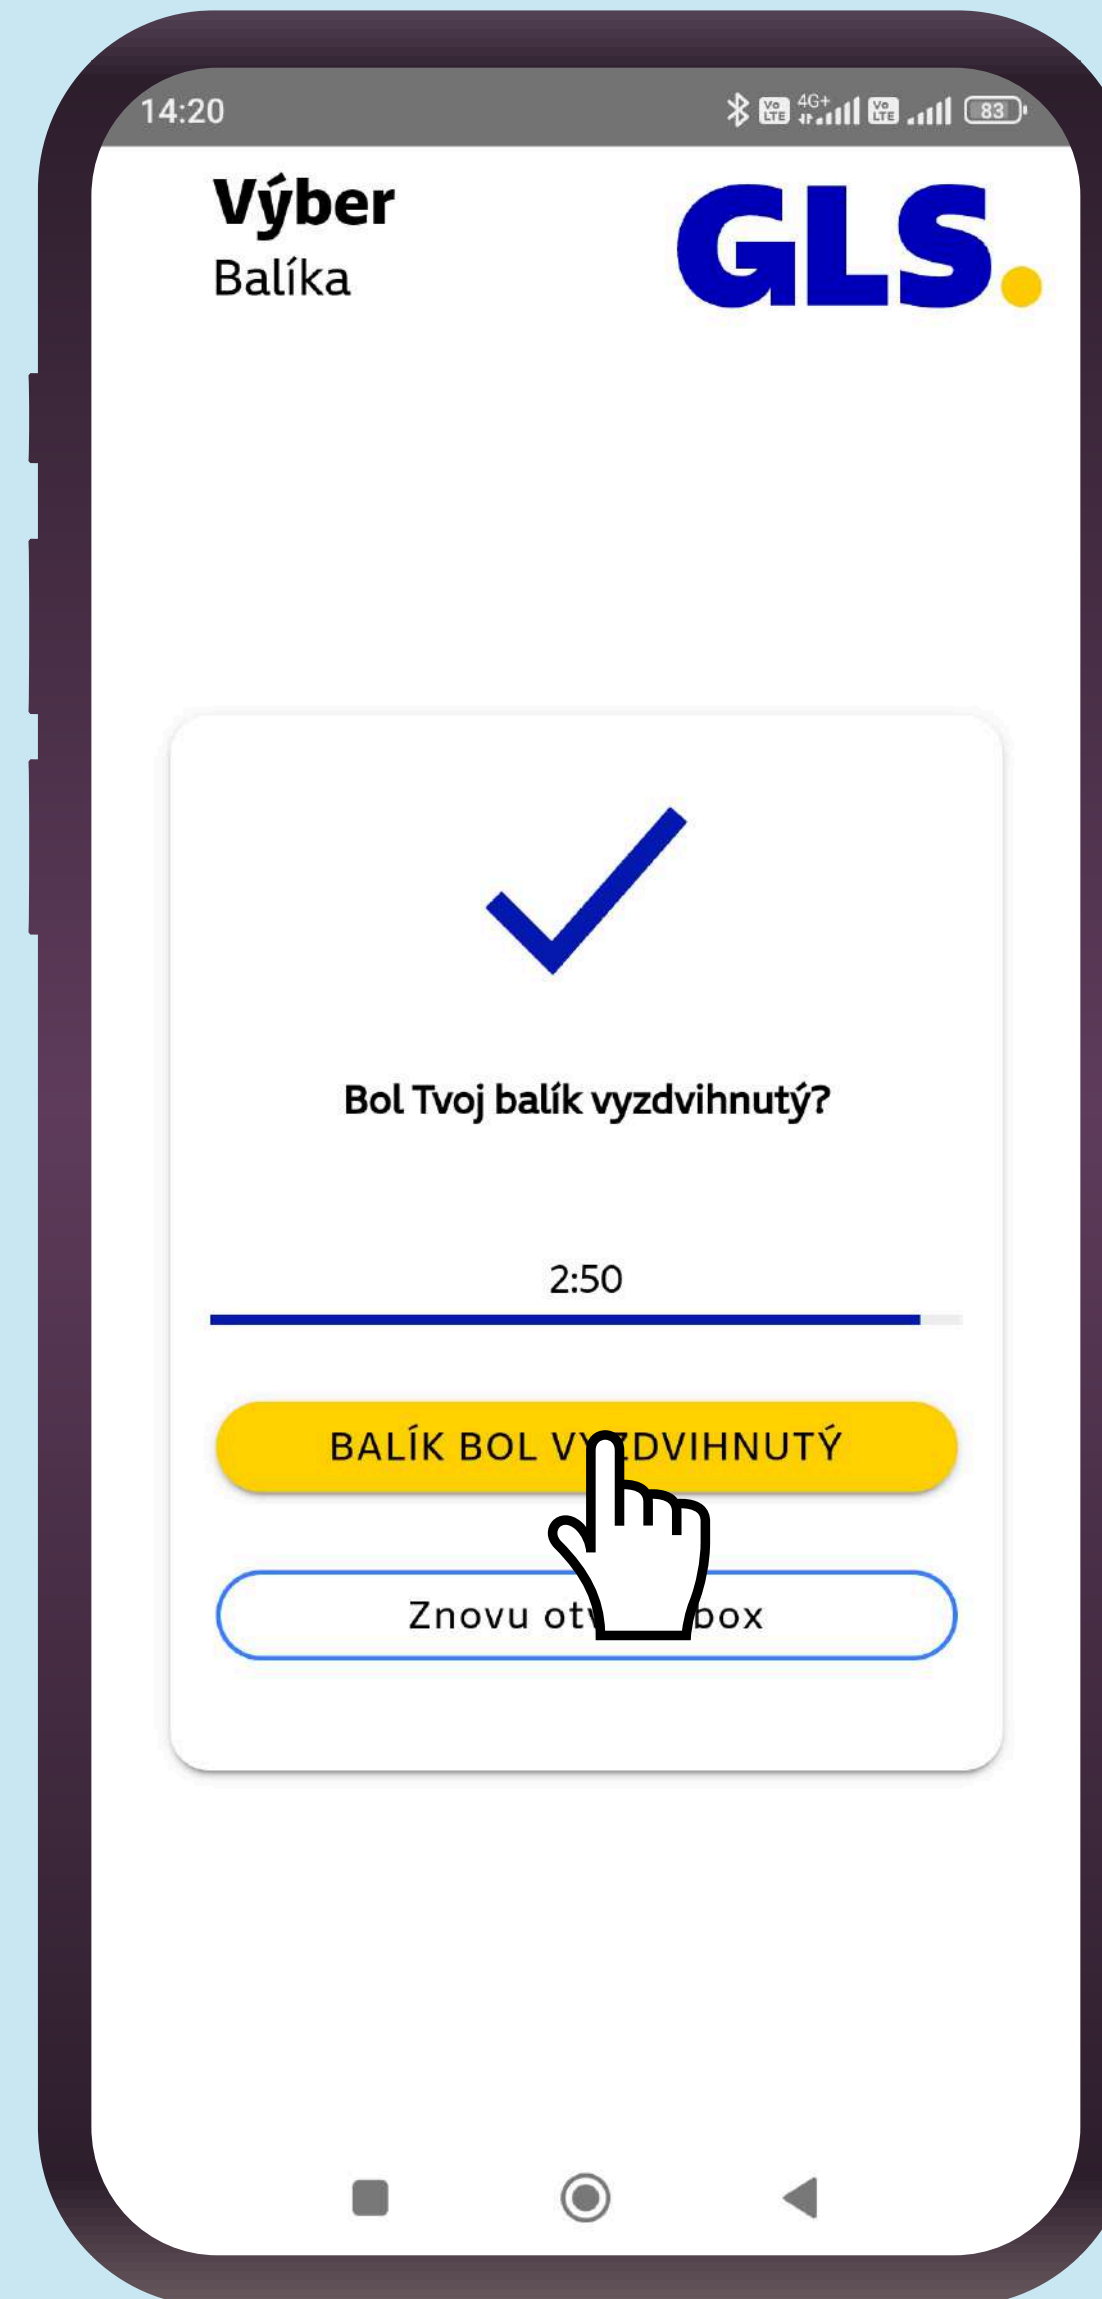

I click the button
PICK UP THE PARCEL

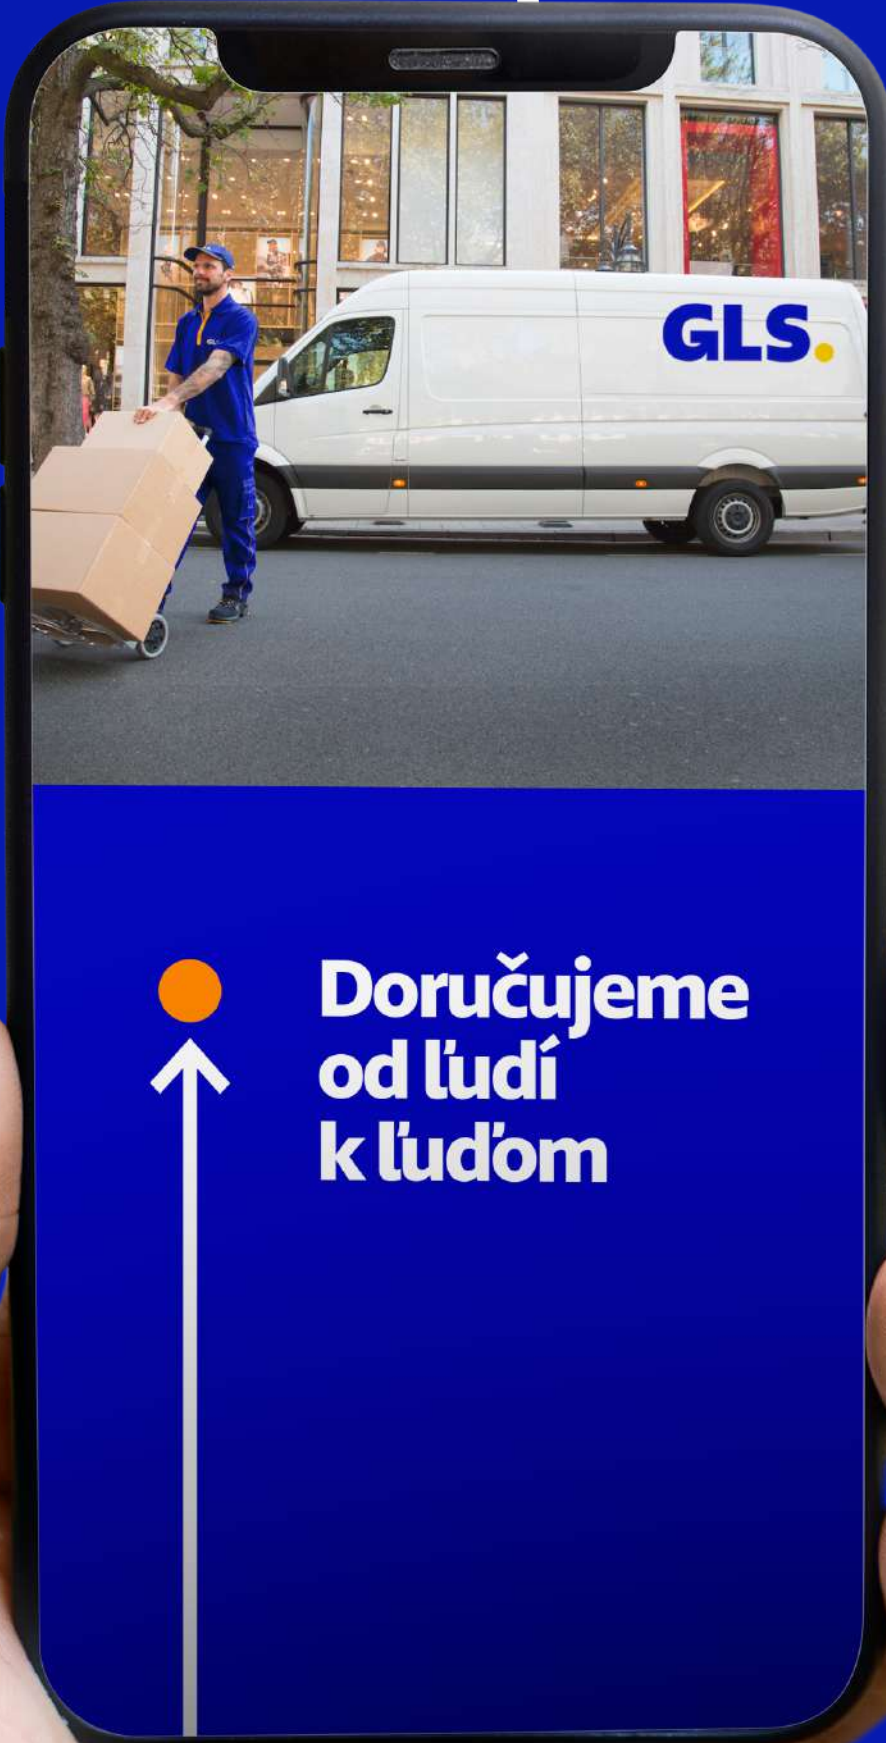

I OPEN THE BOX
and I will pick up the parcel

And the PARCEL is mine!
